Excavation to form parking area, rebuilding wall and re-cladding garage.

The Parish Council **Objects in Principle** to these proposals, and further, requests re-instatement of the boundary wall and raised bank.

The Parish Council considers that because of the location within the Green Belt, Area of Outstanding Natural Beauty, and Conservation Area, the use of sub standard materials on the garage, and loss of the historic fabric of the boundary wall, will cause actual harm to these aspects of the environment, and the Conservation Area in particular.
