Cheryl Hannan
Public Rights of Way Team
Bath & NE Somerset Council
Keynsham

Dear Cheryl

Members of the Parish Council have walked the Public Rights of Way of the Parish over the past couple of months and reported on their condition. The following comments indicate where there are problems:

BA22/1 Wansdyke Path There is no Public Footpath sign at the St Gregory's School entrance to the path. Litter remains a problem along the Wansdyke, much of it emanating from Sainsbury's supermarket.

BA22/3 Two yellow way markers opposite the Millennium Seat need replacing.

BA22/15 A fallen tree is blocking the path just South of the Wessex Water building half way along the path. There is a considerable amount of horsetail weed further south from the fallen tree.

Apart from these items, the footpaths are generally well used and in good condition.

Kind regards

Jenny John

Parish Councillor

cc. Chris Winpenny, Chairman; Geoff Davis, Clerk; Graeme Stark, PROW.
